In Nexis Uni, you can find the following:

- News articles from regional, national, and international newspapers. You also have the option to search individual papers, such as *The New York Times* and the *Los Angeles Times*.
- Company profiles, business news, analyst reports, and SEC filings.
- State and federal cases, statutes and legislation, and law review articles.

**Library Quick Guide:**

**Finding a News Article in Nexis Uni**

Select “News,” type in your keyword(s), and choose your date range. Click on the **Search** button for your results.

Limit your **Advanced Search** to a **content type**, such as **News** or **Briefs**, to customize fields.

Click **Add** to add terms to your search.

Use **Connectors** to limit results and **Document Segment/Fields** to search a specific publication, headlines, or date range.

Click on the **Search** button or red magnifying glass icon for your results.

---

**Search**

**Advanced Search**

**Select a different content type**

**Document Segments/Fields**

**Use Connectors**

- **Exact phrase**
- **2 or more words anywhere in the document**
- **Include one or more words**
- **Exclude documents containing the word or phrase; should be the last connector, or may produce unexpected results**
- **First word within “n” words of the second**
- **Word variations using this as the root word**
To narrow results, enter more search terms or explore results by Location, Sources, or Subject, etc.

Click on the title for the full text of the article.

Click on the icons to print, email, download, or upload to Google Drive.

Click on Actions to get a link to include in your citation.

Use the information before the article’s body for your citation, such as author, article title, newspaper name, and date.

Pay attention to your article’s length to ensure that it has enough developed information.
